About Us

The Reid James Tanner Memorial Fund was founded in 2010 with a simple mission; to give back to the hospital that gave us 3.5 precious years with our son Reid, and to support other families on the same journey. We would have never dreamed that 12 years later we would be hosting over 300 golfers for an incredible day of golf and community, setting our sites on raising more than \$50,000 every year!!

Since that time, the Reid James Tanner Memorial Fund has donated more than \$500,000 to the Cardiac Critical Care Unit at Toronto Sick Kids. We have an incredible tribe of loyal supporters who believe in our mission and continue to stand beside us as we support the most incredible hospital on earth, bringing us one step closer, year by year, to our **1 Million Dollar Lifetime Goal**
